Course provided
•Anatomy, Physiology & Pathology
•Medical devices
•intellectual property
•Physiological signal processing
•Biomechanics, Robotics & Protheses
•Health data
•Medical imaging

I'm looking for an internship in the biomedical engineering field specifically in neuroscience but I'm open to try other fields for a period of 4 to 5 month maximum from mid April 2022

EDUCATION

- ECE Paris, Health and Technologies M1 expected graduation in June 2023
- ECE Paris, preparatory classes – 2018-2020
- Léonard de Vinci Levallois, baccalaureate: 2018 (Pass Mark: 14.5/20)

PROFESSIONAL EXPERIENCE

Society : Fondation Mallet, Intership period – 31/05/2021 to 02/07/2021

The tasks carried out during this internship was a big opportunity for me to improved my knowledge in the health and Technology field. Indeed, I was able to carry out my internship in the field of health while bringing my knowledge and vision of a future engineer.

- Identify the role and skills of the occupational therapist within a rehabilitation center
- Understand occupational therapy support for patients with neurological disabilities
- Support the recommendation and implementation of new technologies to facilitate the daily lives of patients
- Identify the benefits of an occupational therapist/engineer collaboration

Society : Apprentils d'Auteuil, Intership period – 16/06/2020 to 18/07/2020

The tasks carried out during this internship were diverse and varied.
They could be of order manual or intellectual and the skills acquired.

- Reception of donors
- Sorting of material donation received
- Preparation of donations storae labeling
- Shelving
- Customer reception, advice and sales

SKILLS/QUALIFICATIONS

- Language : French (native language), English (level: B1), Spanish (level: A2)
- Programming language : C#, Java, C/C++,
- Computer software : Microsoft visual studio, NetBeans, Wireshark
- Electronic Software : Fritzing, Proteus ISIS, MATLAB
- Strong capacity for analysis and technical study

EXTRA-ACTIVITIES

- Sport : Basketball, French Boxing, Jogging
- Manga./Anime : One piece, Naruto…
- Series : GOT, Vikings, Peaky Blinders…
